DETAILED ACTION

Continued Examination Under 37 CFR 1.114

A request for continued examination under 37 CFR 1.114, including the fee set forth in 37 CFR 1.17(e), was filed in this application after final rejection. Since this application is eligible for continued examination under 37 CFR 1.114, and the fee set forth in 37 CFR 1.17(e) has been timely paid, the finality of the previous Office action has been withdrawn pursuant to 37 CFR 1.114. Applicant's submission filed on December 21, 2004 has been entered.

Allowable Subject Matter

The following is an examiner's statement of reasons for allowance:

In the final rejection issued by the Examiner on May 20th 2004, Claim 26 was indicated as allowable subject and was objected to as being dependent upon a rejected base claim. Allowable subject matter indication can be found on page 17 of the final rejection office action. Claim 26 has now been amended and rewritten in independent form including all of the limitations of claim 13 on which it was formerly dependent. Claim 13 has accordingly been canceled and all claims formerly dependent on claim 13 are now dependent on claim 26 and are thus also allowable. Claim 1 has also been amended to include the limitations indicated as allowable from claim 26. Claim 1 is

therefore also placed in condition for allowance as well as all of the claims that depend from claim 1.

Conclusion

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
